January Film Show.

In past years we have shown members films in addition to the usual professional 16mm films. It has been suggested that this be extended to 35mm slides. If you think you have some slides or films that are of general interest, not necessarily amateur radio, please contact any committee member.

Committee Meeting. (Subject to approval of new committee.)

Wednesday 10th October, 7.30 p.m. Wheatsheaf, New Street.

D.F. Sunday Sept. 23rd.

Seven teams assembled by Galleywood church armed with DF sets and map 167. Unfortunately the hidden station G3KPJ/P was in Thorndon Park, well within the 20 mile limit but on map 177. This gave the 1 competitor with the necessary map some considerable advantage. A second team found the station by following the first up to the park entrance.
